

Give Your Vet the Gift of Spot!

What veterinarian wouldn't like to have a copy of *Speaking for Spot* in their waiting room? As one vet wrote, "When my clients have read *Speaking for Spot* they are way ahead of the curve in terms of understanding their dog's issues and making good medical decisions on their behalf. I wish I could make this book mandatory reading for each and every one of my clients."

How about purchasing a copy for your favorite vet through the **Speaking for Spot Gives Back Program**? This is a definite win-win situation. Not only will your vet be delighted, so too will **Golden Retriever Freedom Rescue, Inc.** when they receive \$4.00 from the sale of the book. Your order will be gift wrapped at no extra charge (animal motif, of course) and I will personally sign the book letting your veterinarian know who was so darned thoughtful; for example, "For Dr. Miller, from Joan Bennett and Bear".

Please visit www.speakingforspot.com/purchase.html and use the prompt that says "Send a message to Dr. Kay" to tell me how you would like your veterinarian's book inscribed. Remember, do not pay the extra fee for the gift wrap- as long as I know it is for your vet, it will be included in the purchase price. If you prefer to pay by check, please use the form below. Let me know if you have any questions.

Best wishes,

Dr. Nancy Kay
